commercial auditorium this morning. Some of the most prominent citizens of East Tennessee, including Gov. Roberts, will attend the meeting. The principal address will be made by the mayor, who will deliver a powerful address on the law and order slogan. The meeting is expected to draw a large crowd of citizens from all parts of the state. The board of commerce has made plans to accommodate about six hundred delegates. The meeting is held in connection with a series of law and order conferences in all the principal municipalities of Tennessee. Plans for a state-wide campaign against crime in Tennessee were launched at Nashville recently at the suggestion of Gov. Roberts and other prominent citizens of the state. The law and order slogan is a powerful one in the prevailing unrest and a possible breaking down of the state laws and order of peace among other commonwealths of the union.

MISSISSIPPI IS HIGH IN CIVILIAN RELIEF AID

JACKSON, Miss., Oct. 28 (Sp.)—The September report made by the director of civilian relief, Harry L. Hopkins, of the Gulf division, American Red Cross, shows that Mississippi ranks first among the states in the division in the number of home service stations organized and also in the number of home service sections which are on the place-time program.

There are 55 home service sections in Mississippi, which has more than any other state in this division. Of these 37 have been granted permission to respond to their own request to extend their work on the place-time program.

The place-time program allows the extension to all families of the sort of assistance given the families in service. It also includes health activities, public health nursing and first aid. Mr. Hopkins stated that during the month of September home service activities in the different chapters of Mississippi gave aid to 2,374 families. 758 of those received information only but 2,416 of them were given personal assistance, often in the form of financial aid, nearly \$2,000 being expended in that way.

The totals for the division are 17,170 families helped and \$10,119.52 expended. The total for the two years during which the Gulf division has been giving such aid is \$157,092.62.

NEGROES PURCHASE RICH PLANTATIONS IN DELTA

YAZOO CITY, Miss., Oct. 28 (Sp.)—Through the First National bank at Itta Bena and the Federal Farm Loan bank of New Orleans, the Barr & Miller plantation, near Itta Bena, has been purchased by 25 negroes who paid \$225,000 for the tract comprising 2,000 acres.

The tract has been divided into 100-acre lots, and several of the negroes have taken more than one lot. Twenty acres have been set aside for a modern gin, which will be operated by the negroes. The plantation lies in the long-staple cotton belt, the soil is fertilized with nitrate of soda, the land well cultivated and the negroes are well equipped by early planting. The negroes received 50 cents a pound for their cotton last year and will beat that price this year.

The Itta Bena bank recently engaged another deal involving a 1,200-acre tract near Inverness, in Sunflower county, which was taken over by nine negro farmers. The credit for the movement among negroes of Hum-

phre, Leflore and Sunflower counties is given Rev. C. W. Evans, negro Methodist preacher and farmer, who has accumulated \$50,000 as an agriculturalist. Another negro of the section, who is credited with owning only a few miles 15 years ago, now owns a 1,500-acre place, and is said to be worth \$100,000.

INJURED BY AUTO.
J. W. Baker, 341 Linden avenue, suffered severe cuts about the face when he was struck by an automobile at Vance avenue and Walnut street Monday afternoon. He was taken to the Baptist hospital where his injuries were dressed. His condition is not serious.

CLARKSDALE, Miss.—Planters will permit their cotton to be baled before the cotton is picked by the negroes. The cotton in this section has been injured by the rain to such an extent that it would be difficult to handle at present.

HELENA, Ark.—The Phillips county circuit court opened Monday afternoon for the trial of the Klaine rioters.

JACKSON, Miss.—Captain Lawrence E. Talbot, aged 45, a veteran of the Spanish war, was buried here Monday afternoon.

SEARCY, Ark.—A company to dig for diamonds is among the probabilities here soon.

BRISTOL, Tenn.—This city, with the completion of the recent paving contract, claims to be the best paved town of its size in the world.

TATE CIRCUIT COURT IS NOW IN SESSION

SENATORIA, Miss., Oct. 28 (Sp.)—The October term of the circuit court for Tate county was convened by Judge E. D. Denkins Monday morning. Richard Denkins, district attorney, and M. N. Thompson, county attorney, were on hand to represent the state.

W. W. May was made foreman of the grand jury. Judge Denkins delivered a charge to the grand jury, emphasizing the duty of every citizen to assist the officers in enforcing the criminal laws of the country. The grand jury will be in session for two weeks. There are six murder cases to be tried at this term.

Cecil Kiser, who is charged with killing John Welch, at Sach, in the western part of the county last May, and who shipped his appearance bond, voluntarily surrendered to the sheriff on last Sunday morning. The homicide cases are as follows: Jeff Roze, charged with killing John Williams; Brose Merrett; Will Riley; Pete Darby for killing his brother-in-law, Drew Wade; Cecil Kiser and W. H. D. McGinnis; Ernest McLendon will be put on trial for perjury alleged to have been committed in filing his questionnaire with the local draft board.

STATE FAIR COMES OUT WITH SMALL PROFIT
JACKSON, Miss., Oct. 28 (Sp.)—In the face of three rainy days out of six the Mississippi State fair, which closed here Saturday, made a small profit, even after spending \$3,000 on permanent improvements, according to fair officials who were delighted at the attendance. Plans have already begun for the 1920 event, which will be larger in scale than any yet attempted. The record-breaking attendance on the three good days is taken as proof the people are interested in the exposition and anxious to see it if possible.

It was the sixteenth annual holding of the fair, and the first time in all that long period that as many as three rainy days occurred.

JONESBORO NEGROES DENOUNCE RUMOR
A report has been spread of an intended race riot in Jonesboro next Thursday, circus day, but little credence was given to the report.

Today a number of the better negroes of the town came to the chief of police and assured him there was nothing to the report and offered a reward of \$50 for the negro that started the report.
